Chris Ullens ist ein belgischer Regisseur, der geboren wurde.  
To start with, the dominant popular picture of the Vienna Circle as a monolithic group of simple-minded verificationists who pursued a blandly reductivist philosophy with foundationalist ambitions is widely off the mark. As an international anthology of translated poetry, it seems conceivable and commendable that the original works also be

published in other languages, taking one more step toward closing the circle. MediLexicon, Intl.
