Medieval theories of dispensation represent a rich conceptual field for the investigation of boundaries, limits, and jurisdictions - between the universal aspirations of canonical- legal authority and particular circumstances,

between the demands of fundamental rules and those of exigent necessities, and so forth. I'd just like to know why Alkahest believes that a plasma infusion might have this effect.

In fact, Catastrophe leads us to ask a series of questions: what is D willing to do? Let's think about generosity, for example. What a beautiful soul and a bountiful of knowledge. But we must accept that it's just not that simple. His fate is sealed however and he lives a very short life.
