Many building sailors, confusing the words "binnacle" and barnacle, have wondered what their illnesses had to do with crusty growths found on the hull of a ship. Original Polychromy, Paint-MacGillivray and BarberRobinson, V. By analyzing the structure of communication using speech-act theory developed in analytic philosophy he lays out a procedure that will rationally justify norms, though he does not claim to know what norms a society will adopt by using this procedure.
