Combined with other evidence, the study of pottery artefacts is helpful in the development of theories on the organisation, economic condition and the cultural development of the societies that produced or acquired pottery. Both played world-tipping roles that helped shape western civilization, and the knowledge learned from studying their influence as well as others detailed in the book, should be re-visited often to ensure our compass remains pointed due North.

Johann Heermann first published this hymn in his *Devoti Musica Cordis*, etc, 1624.

A little boy has a shy tiger called Kalle who he tries to disguise when as a dog, when as a rocking horse, to keep its existence a secret. The cinema, like other forms of consumption emerging in the early twentieth century, was contentious precisely because of its unknown effects on impressionable audiences. He knows all of the uneasiness—all of the temptation to lose spirit and be depressed—and of then starting again to see if he can do his job. But for Hobbes

death is merely to be temporarily avoided by giving power to the sovereign.
