Dolphin Way: Rise of the Guardians

Despite a lavish rollout, sales were disappointing, and critics were initially unsympathetic or hostile; the book gained critical and commercial attention only after Cohen had given up novel-writing and turned to the songwriting and performing upon which his fame rests today. Jensen explores with great consistency the tragedy of a whimsical life just as much as its outrageous comedy.

The Maiden and Her Knight

During December and January male numbats begin to search for females, venturing outside their normal ranges and advertising their presence by leaving scent marks.
