Computer literacy is essential to handling the course load. Afrofuturism Like the Chinese science fiction mentioned above, Afrofuturism provides an entirely new center of gravity for speculative fiction away from the white anglocentrism of traditional science fiction and much of cyberpunk. All of a sudden it seemed that the world, as seen by many of those whose profession took them to record its more distant corners, was singularly lacking in wonderment, and that it presented a joyless canvas on which were painted portraits of geographical and metaphysical unloveliness. Ithinkitwillsuitthistheme. She argues that misunderstanding, fear and pity-these sentiments, born of ignorance and linked to age-old assumptions about ability, normalcy and human potential-persist, and no one has figured out an effective approach to changing. The following terms and abbreviations are used throughout the entry: Acidification - the lowering of soil and water pH due to acid precipitation and deposition usually through precipitation; this process disrupts ecosystem nutrient flows and may kill freshwater fish and plants dependent on more neutral or alkaline conditions see acid rain.
