## Approaching plays

In one of his earliest works, Inter Ice Age 4originally serialized in a journal named Sekai, he embraced science-fictional imagery more directly, including melting polar ice caps, genetically engineered humans, and the destruction of entire nations due to flooding. After the success of Van Gogh, Alain Resnais made this film on Paul Gauguin, again in black and white and using the same process: a slide show edited with quick cuts, shaky or speeded up tracking shots, and a camera which totally decontextualised the details of the paintings.

## The Revealing Word

While it was perfectly true that the German troops in North Africa fought with great distinction and gallantry, ZabeckiRommel's insubordination also played a role, leading to

a calamitous misuse of resources when Rommel went over the head of his superior, Field Marshal Albert Kesselring to appeal directly to Hitler to approve an assault on Egypt instead of occupying Malta, as Kesselring and OKW were planning.
